

FULLY MANAGED EXECUTIVE RECRUITMENT

Cause Leadership will manage the entire search process from engagement through to final offer. First, we'll undertake stakeholder interviews to identify key success factors & essential qualities to succeed in the role. This will inform & refine the creation of an opportunity profile to be used for marketing the role.

The full service package includes:

- Job postings on LinkedIn, CharityVillage, Cause Leadership Website & media posts
- Proactively source highly qualified candidates using our professional networks & sector-specific databases.
- Receive all resumes and other application documents to screen applicants.
- Conduct initial 15-minute interview.
- Undertake in-depth interviews with qualified candidates.
- Prepare candidate summaries and present a minimum of three of the most qualified candidates for initial review by the client.
- Develop a series of questions for a minimum of two rounds of interviews.
- Participate in initial client/candidate interviews.
- Assist client in identifying the top candidates identified through the interview process.
- Provide guidance, insight, and advice in the selection of the winning candidate.
- Conduct thorough reference and background checks with a sector-specific lens.
- Facilitate offer negotiations.
- Provide after-appointment follow-up to ensure the placement is fulfilling expectations for both the candidate and the client.
- Candidate replacement guarantee.
